

# Revealing God's Love @ Your Workplace

**Do your job well** – Get in early, leave late and work hard in between. **1 Peter 2:12**

**Make Right Decisions** – Right by God, not your heart or what is right by others. **2 Corinthians 8:21**

**Lend what you have** - If a coworker needs something that you have, lend it to them. **Matthew 5:42**

**Encourage and Build up** - Resist insults, sarcasm, and mocking coworkers. **Ephesians 4:29**

**Use your income to bless your coworkers** – When was the last time you did something special for the office? **Luke 16:9**

**Take a coworker out to eat** – Foster a one-on-one relationship that can develop over time. **Mark 2:16**

**Do something for a hostile coworker that is meaningful to them** - Go out of your way to be a blessing to them. **1 Peter 3:9**

**Be ready to give your testimony and offer the plan of salvation** – The goal is not to be the poster child for God's Love; it is to bring them into the Kingdom and disciple them.

**1 Peter 3:15**
